

Entry #	Name of Organisation:	Brief description of the Partner Institution:
1	Midnight Blue	Midnight Blue was founded by a group of male sex workers, labor rights supporters, scholars in gender studies and people who are concerned with sex workers' rights in 2006. Midnight Blue is a non-government organization endeavoring to build a male and transgender sex worker support network in Hong Kong.
2	The Family Planning Association of Hong Kong	making organization advocates, promotes and provides information, education, medical and counselling services in sexual and reproductive health for the community. The Association offers holistic and quality clinical and counselling services to men and women of all ages; provides sexuality education to young people and training to parents and professionals; collaborates with Government and community partners in promoting harmonious families, responsible parenthood, and sexual and reproductive health.
3	Tin Siu Wai Community Development Network	We are an NGO established in 2007 concerning the livelihood of care-takers in Tin Shui Wai. We aim to develop mutual support networks, practice autonomous and sustainable living with collective efforts.
4	HER Fund	HER Fund is a helping hand to the most neglected women and girls in Hong Kong. Founded in 2004, we provide capacity building, leadership training and small grants to grassroots organizations led by and serving the most disadvantaged. We also increase the visibility of marginalized women and girls—and the issues they face. We prioritize people who are undervalued by society and issues that are hidden and even unpopular—because we believe that our values shine brightest when applied to the most marginalized among us. Website: herfund.org.hk facebook.com/HERFUND
5	AIDS Concern	AIDS Concern was established in 1990 as the first non-government charity organisation committed to the service of AIDS care in Hong Kong. We strongly believe that the key to effectively stop the spread of HIV is establishing close communication with communities most vulnerable to transmission and exposure. According to our experience, one of the biggest challenges to our mission is the social stigma and discrimination that people living with HIV face, which directly affects their treatments and quality of life. Hence, we invest our resources into providing public health education and awareness programs to create a more supportive society by eliminating misunderstandings about HIV/AIDS. AIDS Concern have different team to target different communities, to provide tailor-make education and prevention programme, MSM (homosexual communities), heterosexual communities, Youth communities, Ethnic Minorities, and support service to PLHIV (People Living with HIV).
6	Women's Festival	The first and only festival in Hong Kong dedicated to celebrating the power and beauty of women! The festival encompasses many fields, from music, films, to spirituality and health, focusing on the theme of "self-love, self-care, and self-expression". Through carefully selected works and programs created by emerging local female talents and advocates, as well as critically acclaimed international artists and filmmakers, our festival seeks to explore women's often subjugated position in the social, political and domestic spheres, the choices available to them, and how they negotiate with the conditions and situations, especially in relation to their body and sexuality. Our festival program aims to start discussions on various themes and issues through the lives, experience, and perspectives of women, and promote gender awareness and equality in society, to assist participants enjoy and appreciate womanhood by exploring a range of medium and art forms, and to help incorporate both sex-positivism and art into their daily life. Ultimately, through appreciating and embracing our bodies positively, we hope that people of all genders from all walks of society may recognize and celebrate the power, beauty and freedom of
7	性別空間 / Gender Empowerment	性別空間是一個服務跨性別社群的慈善自助組織。以「融入社會·共建和諧」為目的出發，為跨性別者提供支援服務，以達到社群自助互助。透過提供適切的資訊和資源，協助跨性別者在不同的性別過渡階段 (gender transition) 適應其外表、身體、生活和社交上的轉變，鼓勵他們積極地以其自身的性別認同和性別表達去生活，並融入社會。我們亦提供支援予跨性別者的家人。 Gender Empowerment is a charitable organization (NGO) supporting the transgender community. "Integrate into society, building harmony" is our vision, so that members of the transgender community would be able to help themselves and one another. By providing the appropriate information and resources, we help trans individuals go through the different stages of their gender transition, to adapt to the changes in their appearances, bodies, daily lives and social relationships. We encourage everyone, especially transgender or gender diverse individuals, to positively live with their gender identities and gender expressions, and integrate into the society. We also provide support to family members of transgender persons.
